The decision to request an exemption is the responsibility of the student and parent/guardian. Read the following carefully before signing.

I understand no credit will be earned if an exemption from physical education is approved. If a physical education exemption is utilized and the student subsequently reduces his/her academic schedule, I understand the physical education requirement must be made up to fulfill graduation requirements. Physical Education cannot be added to the student's schedule past the add class deadline.

I request an exemption from the physical education requirement for 2014-2015.
