

Taft PTA Student Phonebook Form

The Taft PTA would like to publish a phonebook or student directory, so students and parents can easily network. The phonebook will go to the printers on September 9th. Please take a few minutes to legibly fill out this form, if you want your student's information to be included.

- 1 We receive no information from the Cedar Rapids school system for this directory. All the information must be supplied by you.
- 2 One copy of the phonebook is given to each student family.
- 3 If you have additional questions, contact Nikki Nezerka at 270-7342 or email me at nichola03@gmail.com.
 - The PTA publishes this book once a year.
 - There is room in the directory for one phone number and one email per household. There is space for two parents per student, if needed.
 - If your family structure is "his-hers-ours", the phonebook can handle that. Just fill out a form for each parenting arrangement.
