

# WASHINGTON ATHLETIC CLUB

## MEMBERSHIP FORM

Dear Parents and Loyal Supporters of Washington High School:

We are looking forward to another great year of Warrior sports and we hope to have your continued support during the 2012-2013 season. Please consider becoming a member of the Washington High School Athletic Club and remember to help out at Warrior athletic events.

Because of your generous financial support and donated time, the W.A.C. contributed over \$80,000 last year to help fund uniform purchases, transportation of athletic teams, pep buses, tennis accessories for the new courts, and various sporting equipment. W.A.C. financially supported ALL 21 sports teams at WHS.

In previous years we have remodeled the concession stand, purchased weight room equipment, a new gym & softball sound system, poolside touch pads and more. This is an outstanding demonstration of support by all of you and you should be proud of your efforts! You can see that by participating in one of the levels of giving below, our athletes benefit and so do you.

Thanks for keeping the "Warrior Spirit" alive!
