

Hoover Elementary is a Community Based School

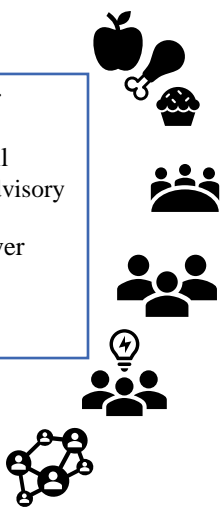

What is a community based school?

A community based school works to bring together students, parents, teachers and the community to better serve the academic needs of the students, and their well-being as well as their families. Community based schools bring various resources and support to expand learning opportunity beyond school and the school hours.

Happening at Hoover:

- 2nd and 4th Thursday of the month: Hoover Community Food Pantry
- 1st Thursday of the month: Student Council
- 2nd Tuesday of the month: Hoover Parent Advisory Council (H-PAC)
- 2nd and 4th Wednesday of the month: Hoover Outreach Team
- 1st Wednesday of the month: Community Partners Meetings
